

# TRAJECTORY

**Zsófia Pirók** has danced since very young with the „FlamenCorazonArte” Dance Theatre (Hungary) where, 2008 onwards, she became solist and coreography assistant. Since 2010, she started performing upon various stages in Seville (Spain) and occasionally in other countries. In 2013 she staged her first independent show 'Colores de Mujer'(Colors of Woman). It was first presented in Seville on 8 March 2013, to celebrate the International Women's Day. It was also performed in Hungary at the 9<sup>th</sup> Hungarian Dance Festival. In 2014 she received the Fülöp Victor Scholarship as a choreographer that helped her to create her new performance: 'SIGHS'. In 2014 Zsófia is honoured with the Season's Best Young-Stage Dancer Award in Hungary.
